## **INDEPENDENT AUDITOR'S REPORT**

### **TO THE MEMBERS OF KAARYA FACILITIES AND SERVICES LIMITED**

#### **Report on the Audit of the Standalone Financial Statements**

#### **Opinion**

We have audited the accompanying standalone financial statements of **KAARYA FACILITIES AND SERVICES LIMITED** (the "Company"), which comprise the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the 'Basis for Qualified Opinion' section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 in the case of the Statement of Profit and Loss, of the Loss of the Company for the year ended on that date, and in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

#### **Basis for Qualified Opinion**

- i) The company is engaged in the business of providing property/facility management services, Housekeeping and other related specialized services. The adverse impact of Covid Pandemic on the business of the company resulted in deterioration in the value of consumables and other materials. During FY 2022-23, the company has assessed the diminution in the value of Inventories based on it's realizable value and have

accordingly, written down the value of obsolete inventory amounting to Rs. 1.89cr.

- ii) Till FY 2021-22, the company had the policy of booking salary on actual payment basis, implying that the salary for the month of March 2022 was booked in the subsequent Financial year. In compliance to the accrual system of accounting as prescribed in AS-1, the same has been rectified in the current Financial Year and therefore, salary for the month of March 2022 has been charged as an exceptional item in the Statement of Profit and Loss to the tune of Rs. 1.62crs.
- iii) We have been informed that considering the nature of business in which the company is engaged into, the company acts as an intermediary for supply of manpower to its customers and therefore, the company has a policy of making payment of Employee's and Employer's contribution to Provident Fund and other components of Employee Benefit Expenses solely based on the approvals/payments received from the Principal (Customer) or when the said amount of contribution is demanded by the concerned employee. Therefore, the company has accounted for the Employer's Contribution towards Provident Fund only to the extent approved by the customers and deposited by the company. The same has not been booked on accrual basis.

### Information Other than the Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the other information. The other information comprises of the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Business Responsibility Report, Corporate Governance and Shareholder’s Information, but does not include the consolidated financial statements, standalone financial statements and our auditor’s report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibilities for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of The Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India including the Accounting Standards specified under Section 133 of The Act, read with Rule 7 of The Companies (Accounts) Rules, 2014 ("the Rules") and The Companies (Accounting Standards) Amendment Rules, 2018. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and

are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that,

individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with the relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting ,including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting have become inadequate because of changes in condition or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion , to the best of our information and according to the explanations given to us ,the Company has , in all material respects , an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March,2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financials Controls Over Financial Reporting issued by the Institute of Chartered Accountant of India.

Details of audit Qualification:</b> The company is engaged in the business of providing property/facility management services, Housekeeping and other related specialized services. The adverse impact of Covid Pandemic on the business of the company resulted in deterioration in the value of consumables and other materials. During FY 2022-23, the company has assessed the diminution in the value of Inventories based on it's realizable value and have accordingly, written down the value of obsolete inventory amounting to Rs. 1.89cr.

For Audit Qualification(s)where the impact is quantified:</b> Not Applicable</p> <p><b>E. For Audit Qualification(s)where the impact is not quantified:</b></p> <p>i. <u>Management's estimation on impact:</u> The Company is in the process of assessing the adverse impact of Covid on its business. In view of the same, the management conducted analysis of the Inventory in hand which belonged to the covid or pre covid era that was now considered obsolete and accordingly, estimated its impact on the Financial Statements to be Rs. 1.89 crores.</p> <p>ii. <u>If Management is unable to estimate the impact, reasons for the same:</u> Not Applicable</p> <p>iii. <u>Auditor's Comment on (i) or (ii) above:</u> The impact of the said audit qualification has already been given in profit and loss account and is reported in exceptional item in the books of accounts to the tune of Rs. 1.89 Crores.</p>
	<p><b>2. A. Details of audit Qualification:</b></p> <p>Till FY 2021-22, the company had the policy of booking salary on actual payment basis, implying that the salary for the month of March 2022 was booked in the subsequent Financial year. In compliance to the accrual system of accounting as prescribed in AS-1, the same has been rectified in the current Financial Year and therefore, salary for the month of March 2022 has been charged as an exceptional item in the Statement of Profit and Loss to the tune of Rs. 1.62crs.</p>

For Audit Qualification(s)where the impact is quantified:</b> Not Applicable</p> <p><b>E. For Audit Qualification(s)where the impact is not quantified:</b></p> <p>i. <u>Management’s estimation on impact:</u> The Company had the policy of booking Salary on payment basis till 31st of March, 2022. This policy was adopted on account of the structure of business in which the company is involved into. The salary was booked on payment basis only on approval received from their respective clients. However, in order to comply with the Accounting Standards and the principle of Accrual system of Accounting, the company has recorded the salary on accrual basis in FY 2022-23 and the salary for the month of March 2022 has been treated in the books of accounts and has been reported as an exceptional item.</p> <p>ii. <u>If Management is unable to estimate the impact, reasons for the same:</u> Not Applicable</p> <p>iii. <u>Auditor’s Comment on (i) or (ii) above:</u> The impact of the said audit qualification has already been given in profit and loss account and is reported in exceptional item in the books of accounts to the tune of Rs. 1.62 Crores.</p>
	<p><b>3. A. Details of audit Qualification:</b></p> <p>We have been informed that considering the nature of business in which the company is engaged into; the company acts as an intermediary for supply of manpower to its customers and therefore, the company has a policy of making payment of Employee’s and Employer’s contribution to Provident Fund and other components of Employee Benefit Expenses solely based on the approvals/payments received from the Principal (Customer) or when the said</p>

	<p>amount of contribution is demanded by the concerned employee. Therefore, the company has accounted for the Employer's Contribution towards Provident Fund only to the extent approved by the customers and deposited by the company. The same has not been booked on accrual basis.</p> <p><b>B. Type of Audit Qualification:</b> Qualified Opinion</p> <p><b>C. Frequency of Qualification:</b> First Time</p> <p><b>D. For Audit Qualification(s) where the impact is quantified:</b> Not Applicable</p> <p><b>E. For Audit Qualification(s) where the impact is not quantified:</b></p> <p>i. <u>Management's estimation on impact:</u> As mentioned earlier, Payment of Salaries and Contribution to statutory funds is dependent on the approvals received from the respective clients. Therefore, the company has debited its Statement of Profit and Loss towards Employers contribution to PF only to the extent approvals have been obtained and the amount has actually been deposited. The impact of Employers Contribution to PF if made on accrual basis shall amount additionally to Rs. 71.49 Lakhs.</p> <p>ii. <u>If Management is unable to estimate the impact, reasons for the same:</u> Not Applicable</p> <p>iii. <u>Auditor's Comment on (i) or (ii) above:</u> The impact of the said audit qualification has not been given in the books of accounts or Financial Statements.</p>
	<p><b>4. A. Details of audit Qualification:</b></p> <p>Similarly, the effect of the said policy for payment of Provident Fund for earlier years in the Statement of Profit and Loss for FY 2022-23 amounts to Rs. 63.91 Lakhs. We are unable to comment on the total amount of Provident Fund</p>

	<p>Liability pending for earlier years.</p> <p><b>B. Type of Audit Qualification:</b> Qualified Opinion</p> <p><b>C. Frequency of Qualification:</b> First Time</p> <p><b>D. For Audit Qualification(s)where the impact is quantified:</b> Not Applicable</p> <p><b>E. For Audit Qualification(s)where the impact is not quantified:</b></p> <p>i. <u>Management's estimation on impact:</u> It is understood that ultimate liability for provident fund contribution is of principal ie Contractee company. Accordingly company has the policy of accounting of PF contribution based on receipt of PF contribution from customer (Contractee). Hence there is no impact on the profit &amp; loss account.</p> <p>ii. <u>If Management is unable to estimate the impact, reasons for the same:</u> The company has not booked the provident fund liability for the earlier years on accrual basis for employer's contribution to Provident Fund. However, the employee or employer's contribution is paid on approval basis from the clients. Therefore, we are unable to quantify the amount of PF contributions pending in respect of the earlier years.</p> <p>iii. <u>Auditor's Comment on (i) or (ii) above:</u> The Company is unable to provide details of Outstanding PF liability of earlier years, therefore, we are unable to comment on the same.</p>
	<p><b>5. A. Details of audit Qualification:</b></p> <p>As per the information received from the company, the expenses incurred on behalf of certain clients/projects which are pending to be billed and recognized as revenue on account of pending approval/dispute with the customer has been recorded as WIP under Current Assets. The said amounts under dispute are pending for more than 3 years and the same amounts to Rs. 1.61Cr. In addition,</p>

	<p>the receivables in respect of the said Clients amounting to Rs. 0.71cr are under dispute with NCLT and therefore, shall be settled accordingly. The Management does not foresee the requirement to create any provision in respect of the said amounts as on the date of the Balance Sheet. We are unable to comment on the probability of recovery of the said amounts.</p> <p><b>B. Type of Audit Qualification:</b> Qualified Opinion</p> <p><b>C. Frequency of Qualification:</b> First Time</p> <p><b>D. For Audit Qualification(s)where the impact is quantified:</b> Not Applicable</p> <p><b>E. For Audit Qualification(s)where the impact is not quantified:</b></p> <p>i. <u>Management’s estimation on impact:</u> The case with NCLT is currently under process and therefore, as on date there is no requirement of making any provision in this respect. However, in case of an adverse judgement of the NCLT, the company shall be required to make a write off its WIP and receivables totalling to Rs. 2.32 crores</p> <p>ii. <u>If Management is unable to estimate the impact, reasons for the same:</u> Not Applicable</p> <p>iii. <u>Auditor’s Comment on (i) or (ii) above:</u> Since the outcome of the said litigation cannot be determined, provision on a reasonable basis would have ensured compliance with AS 29</p>
	<p><b>6. A. Details of audit Qualification:</b></p> <p>The Company has not made any provision for gratuity liability and the actuarial valuation is also not obtained as referred in the Accounting Standard 15 “Employee Benefits”. The impact of same on statement of Profit and loss is unascertained.</p> <p><b>B. Type of Audit Qualification:</b> Qualified Opinion</p> <p><b>C. Frequency of Qualification:</b> First Time</p>

ii. Auditor's Comment on (i) or (ii) above: The said Audit Qualification states non-compliance with AS-15. In view of non-availability of Actuarial Valuation report as on 31.03.2023 we are unable to quantify the impact.

Indian GAAP comprises mandatory Accounting Standards as prescribed by the Companies (Accounting Standards) Rules, 2021 and the provisions of the Companies Act, 2013 to the extent applicable. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

**2.2 Use of estimates**

The preparation of the financial statements in conformity with the generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from the estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

**2.3 Revenue recognition (AS 9)**

**KAARYA FACILITIES & SERVICES LIMITED****CIN - L93090MH2009PLC190063****NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31-MAR-2023****2.4 Property, Plant, Equipment and Intangible Assets and Depreciation**

- c. The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which an entity incurs either when the item is acquired Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the year in which the costs are incurred.

**Class of asset and Estimated useful Life (In Years)**

<b>Particulars</b>	<b>Years</b>
<b><u>Tangible Assets</u></b>

Plant and Machinery	15
<b><u>Intangible Asset</u></b>

**2.6 Investments (AS 13)**

**KAARYA FACILITIES & SERVICES LIMITED**  
**CIN - L93090MH2009PLC190063**  
**NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31-MAR-2023**

**Non-current investments** are carried at cost less provision for diminution, other than temporary.

**Current investments** are carried at lower of cost or fair value. The comparison of cost and fair value is done separately in respect of each investment.

## **2.7 Inventories (AS 2)**

Inventories are valued at lower of cost or realizable value. Net Realisable value is the estimated selling price in the ordinary course of business less the estimated cost necessary to make the sale.

During the current period, the management has conducted physical verification of Inventory and it was observed that the shelf life of some of the inventories carried and lying at various sites have expired or are unusable on account of the said stock (consumables) being obsolete/expired due to passage of time in the wake of covid-19 pandemic.

Accordingly, the management has concluded that the inventory to the tune of Rs.(in Thousands) 18,991/- is obsolete, not usable and of negligible value. The write off has been charged to profit & loss account equally in first half and second half of the FY 2022-23.

## **2.8 Employee benefits (AS 15)**

Employee benefits include salaries, wages, contribution to provident fund, gratuity, leave encashment towards un-availed leave, compensated absences, and other terminal benefits.

### **a. Short Term Employee Benefits**

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

### **b. Post-Employment Benefits**

#### **Defined Contribution Plans**

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund. The Company's contribution is recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

#### **Defined Benefit Plans**

The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/superannuation. In view of the peculiar nature of the industry in which the company is operating and due to higher employee turnover, the average employment period is less than 5 years. Hence the company has not made any provision with respect to the Employee benefit plans as required by AS 15 for the year ended on 31<sup>st</sup> March, 2023.

**KAARYA FACILITIES & SERVICES LIMITED****CIN - L93090MH2009PLC190063****NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31-MAR-2023****c. Advance Salary**

The Company had given advances to various employees during the period of lockdown and subsequent period of COVID-19 pandemic. During the year ended 31<sup>st</sup> March, 2023, the company has decided to write-off salary advances amounting to Rs.(In Thousands) 2,316/- since the advances were pertaining to certain employees who were no longer associated with the company and therefore the said advances were considered to be irrecoverable by the management.

**2.9 Leases (AS 19)**

The determination of whether an arrangement is a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets.

A lease is classified at the inception date as a finance lease or an operating lease.

Lease arrangements where the Company has substantially all the risks and rewards of ownership associated with the leased assets are classified as finance leases. Assets taken on finance lease are recognised as fixed assets. An equivalent liability is created at the inception of the lease. Rentals paid are apportioned between finance charge and principal based on the implicit rate of return in the contract. The finance charge is shown as interest expense and the principal amount is reduced from the liability. The assets acquired under the lease are depreciated over the lease term, which is reflective of the useful life of the leased asset.

Operating lease payments are recognised as an expense in the Standalone Statement of Profit and Loss on a straight-line basis over the lease term unless other systematic basis is more representative of the time pattern of the benefit.

**2.10 Tax Expenses (AS 22)**

The income tax expense for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to timing differences and unused tax losses.

**a. Current Tax**

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. The tax rates and tax laws use to compute the amount are those that are enacted or substantively enacted, at the reporting date.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

**b. Deferred Tax**

Deferred tax is recognised in respect of *timing differences* between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised for all deductible temporary differences and the carry forward of any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible timing differences and the carry forward of unused tax losses can be utilized.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority. Current and deferred tax are recognised in the Statement of Profit and Loss.

**2.11 Impairment of Assets (AS 28)**

Assets are subject to impairment tests whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. Where the carrying value of an asset exceeds its recoverable amount (i.e. the higher of value in use and fair value less costs to sell), the asset is written down accordingly.

Where it is not possible to estimate the recoverable amount of an individual asset, the impairment test is carried out on the smallest block of assets to which it belongs for which there are separately identifiable cash flows; its cash generating units ('CGUs').

**2.12 Provisions & Contingencies (AS 25)**

- a. Provisions: The Company creates a provision when there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to its present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are renewed at each balance sheet date and adjusted to reflect the current best estimate.
- b. Contingent Liability: A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent Assets are neither recognized nor disclosed in the financial statements.

Cash flows from operating, investing and financing activities of the Company are segregated, accordingly

**2.15 Current / Non-Current Classification**

**2.16 Measurement of EBIDTA:**

As permitted by the Guidance note on Schedule III to the Companies Act 2013, the company has elected to present earnings before interest, tax, depreciation and amortization (EBITDA) as a separate item on the face of the statement of profit and loss. The company measures EBITDA on the basis of profit/(loss) from continuing operations. In its measurement, the company does not include depreciation and amortization expenses, finance cost, finance income and tax expense

### **2.17 Earnings per share (AS 20)**

The Company reports basic and diluted earnings per share in accordance with AS-20.

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The Weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

### **2.18 Related Party Disclosures (AS 18)**
